Introduction:

The Department of Computer Science & Engineering came into existence in the year 1988 offering the most sought after courses in the field of Computer Science & Engineering, both at under graduate and graduate level. The department has well qualified staff to its full strength of 15, specializing in various disciplines. Apart from regular academic work, the department is actively involved in industrial training, consultancy and software development in collaboration with software development firms and R & D establishments.

GIOE

Government Institute of Electronics, Secunderabad premier autonomous Polytechnic of the Department of Technical Education, Govt. of Andhra Pradesh. This institute offers three and half year Industry oriented special Diploma programs in Electronics.

All the programs of the Institute are accredited by NBA of AICTE. It is constantly achieving a near 100% placement over past three years. This is only the Polytechnic in the state receiving World Bank assistance under TEQIP.

TEQIP

University College of Engineering(A), Osmania University and Govt.Institute of Electronics, Secunderabad are two of the 12 institutes in Andhra Pradesh receiving World Bank grants under TEQIP (Technical Education Quality Improvement Program). As part of Networking of Institutions activity of TEQIP, the two institutes have collaborated and planned to offer a series of workshops and this workshop is one of them. The aim is to extend the benefits of TEQIP to all engineering teaching fraternity.
