Chair, Chemical SCC

Scott De Graaf

Corporate Security Supervisor, Marathon Petroleum Corporation
Vice Chair, Chemical SCC

Matt Fridley

Director of Security and Safety, Brenntag North America
Former Chair, Chemical SCC

Moderator: Steve Harris

Deputy Executive Assistant Director, Infrastructure Security, CISA

#ChemicalSecurity

Introduction to the Chemical Sector

Critical Infrastructure Sectors

The Cybersecurity and Infrastructure Security Agency (CISA) is the nation's risk advisor and is the Sector Risk Management Agency (SRMA) for 8 of 16 U.S. Critical Infrastructure Sectors to include the Chemical Sector.

CISA-led Sectors

2023 Chemical Security Summit
August 31, 2023

SCC-GCC Coordination

CISA coordinates with SCCs through SRMAs and related GCCs to address critical infrastructure security and resilience policies and sector efforts

Sector Coordinating Council (SCC)

- The SCC Executive Committee is comprised of a Chair, Vice-Chair, Assistant Vice Chairs, Immediate Past Chair, and Former Past Chair, with each serving one-year terms.
- The Chairs represent the Council and not any individual member associations.

▪ SCC Members

- Agricultural Retailers Association
- American Chemistry Council
- American Coatings Association
- American Fuel & Petrochemical Manufacturers
- Chlorine Institute
- Council of Producers & Distributors of Agrotechnology
- Compressed Gas Association
- CropLifeAmerica
- The Fertilizer Institute
- Institute of Makers of Explosives
- International Institute of Ammonia Refrigeration
- International Liquid Terminals Association
- Louisiana Chemical Association
- National Association of Chemical Distributors
- Society of Chemical Manufacturers and Affiliates

CHEMICAL SECTOR
COORDINATING COUNCIL

Government Coordinating Council (GCC)

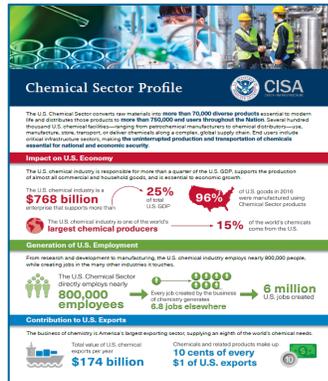

- Counterpart to SCC for each critical infrastructure sector
- Provides coordinated communication, issue development and implementation among government and between the government and the sector for critical infrastructure security and resilience issues
- Leverages complementary resources within government and between government and industry
- **GCC Members**
 - Chemical Safety Board
 - Department of Commerce
 - Department of Defense
 - Department of Energy
 - Department of Labor
 - Department of Homeland Security
 - Department of Justice
 - Department of State
 - Department of Transportation
 - Environmental Protection Agency
 - Office of the Director of National Intelligence
 - State, Local, Tribal, and Territorial Government Coordinating Council
