

Counter-IED Independent Study Training

CISA OFFICE FOR BOMBING PREVENTION

Independent Study Training (IST) courses are self-paced, web-based courses designed for a broad audience to provide general awareness-level counter-improvised explosive device (C-IED) information to public and private sector partners to enhance awareness of and response to IED threats. These courses are accredited by the International Accreditors for Continuing Education and Training (IACET) and participants receive certificates with contact hours. All courses are provided free of charge.
