# Joint Federated Assurance Center

Director: Mr. Brian Nowotny

**Mission:** The Joint Federated Assurance Center (JFAC) provides a federation of software and hardware assurance capabilities across the Department of Defense (DoD).

**Vision:** Building Trust through Holistic Assurance

**Origin:** Fiscal Year (FY) 2013 National Defense Authorization Act (NDAA) Section 933 (Software Assurance), FY 2014 NDAA Section 937 (JFAC), 2015 Deputy Secretary of Defense JFAC Policy Memo

**System Application:** DoD weapon systems, DoD information systems, and national security systems

## JFAC Strategic Goals

- Stay ahead of the threat landscape
- Migrate towards holistic assurance across the lifecycle
- Maximize discovery and utilization of federated assurance resources
- Mature assurance technologies and deliver capabilities at the speed of mission
- Provide affordable and scalable assurance solutions
